## STANDARD BUSINESS CARDS

Our standard business cards are printed in full colour on a high quality thick 350gsm silk matt board.

## ELITE BUSINESS CARDS

Add a little style to your business card with either a matt or gloss laminate both sides, to thicken your cards and create an added impression of quality.

## VISICLEAR BUSINESS CARD

If you really want to impress, choose our premium Visiclear coated business cards. People will comment, they'll envy and they'll perceive you as the best.

## ADDITIONAL NAMES

A unique advantage of working with us is the 'additional names' service we offer. We have eliminated traditional set-up costs from our process which offers additional flexibility such as adding additional names into your business card order for just \$18 per additional name. For example, 500 single sided business cards = \$99 however if you require 250 cards for 2 people, just add \$18 for the additional name.
